

# MS10ATA/PE7BL

## A7 Cut Protection and a Choice of Widths

### APPLICATIONS

Food Processing  
High Cut Hazards  
Direct Food Contact  
Retail Meat & Deli

### FEATURES

The Claw Cover MSATA/PE7BL sleeve provides ANSI A7 cut protection in a choice of widths to fit comfortably on almost any size arm. Color coding at the wrist indicates the size: red for Narrow, yellow for Standard, green for Wide. The overedge color at the sleeve top and bottom indicates the cut score. With ATA® fiber technology, the sleeve scores ANSI 4 abrasion resistance for long wear life and excellent value. The MSATA/PE7BL is compliant with FDA 21 CFR and appropriate for food manufacturing and processing. Machine washable for repeat use. Made in the USA.
