

MATA25HA

Strong Cut and Abrasion Qualities

APPLICATIONS

Metal Fabrication
Glass Handling
Automotive
Public Utilities
Pulp and Paper

FEATURES

Worldwide Protective Products MATA25HA glove provides great cut and abrasion qualities compared to conventional para-aramid gloves, thanks to our proprietary ATA® Hide-Away™ technology. The unique blend of dark color fibers gives this glove extended life thanks to its ability to hide dirt and soiling. ATA® Hide-Away™ products have a longer lifespan, cost less, and provide a higher value than traditional para-aramid products. Fully CE rated and ready for use in the EU.
