

MSATA2000

Extreme Cut and Abrasion Resistance

WITHOUT THUMBHOLE

WITH THUMBHOLE

APPLICATIONS

Aerospace
Automotive
Construction/HVAC
Glass Manufacturing
Metal Fabrication
Pulp and Paper
Recycling/Sorting

FEATURES

When cut and abrasion hazards reach beyond the hands, reach for the MSATA2000 sleeve with its ANSI level A6 cut resistance score. Our medium weight, 1-ply sleeve is designed using high-performance ATA® technology with stainless steel to offer tremendous cut protection. The MSATA2000 is also highly resistant to abrasion and wear, giving the wearer top of the line protection with a comfortable fit. Made in the USA by Worldwide.
